

## HAPPERLEY TRANSPARENT FEES

Started by farmers, facilitated through technology.

Our Happerley Transparent fees are equitable and based on the turnover of your business or brand. If you are an operator or organisation who is looking to go transparent and encourage your suppliers to do the same, we can discuss a discounted rate for you and your suppliers. For all producers, intermediaries and retailers please see the table below:

Happerley Transparency Fee's

To see the benefits and opportunities of becoming transparent and joining our network, please find the benefits document link at the bottom of the application page or get in touch to speak with one of our team.

Transparency is not just another assurance scheme, it collates all the information from ingredient supply chain, industry accreditations, commitments, and values of your business. We cast no judgement on the origin of ingredients and simply aim to deliver the truth to empower the consumer to make informed decisions.
